- O-Bar-O prides itself on having clean cabins, so please be respectful of them. Enjoy your stay but please be mindful there are Guests coming in after you that also expect a clean and luxurious cabin. SO if there is an extraordinary amount of cleaning needed to bring the cabin up to our standards upon your departure, we have no choice but to assess an appropriate cleaning fee. Please let management know of any damages to the cabin or its contents and property. Housekeeping will inspect the cabin after departure.
- "Spruce Up"** service is available which includes fresh towels & paper products. Well also take out the trash for you. We offer one complimentary **"Spruce Up"** for stays 4 nights or longer. Others \$15 per **"Spruce Up"**. Notify us in person to the front desk and also with the **"Spruce Up"** door hanger. Your items in the cabin will not be disturbed.
- Guest Initials* _____ O-Bar-O is a **SMOKE FREE** property. Smoking of cigarettes, cigars, and pipes or Vaping in or around any cabin will result in an extra charge of \$200.
- Fire is the biggest threat to our forests here in Colorado. Do NOT leave a fire unattended, EVER. Make sure the fire is managed before leaving the fire pit and please take your trash with you.

- Fishing at O-Bar-O is catch and release using a single point barbless hook. The river, creek and irrigation ditches run swiftly with very strong currents. The rocks are very slick, and the water is ice cold.
